Dear Junior Golfers and Parents,

On behalf of The Hamptons Golf Club and our PGA of Canada Professional Staff, we would like to welcome you to the 2021 Hamptons Junior Golf Program. The goal of our program is to provide opportunities for junior golfers to learn and develop their game in a fun and supportive environment.

Our experienced PGA of Alberta Professionals will offer instruction, coaching and support for every junior enrolled. Following is an overview of our Junior Program for the 2021 season. There are a variety of options for junior golfers of all levels and ages, whether just learning the game or experienced and are working towards that next level.

We are excited about our enhanced Junior Program this year. We also welcome any support from members or their associations to help with costs, that would add even more value to the various programs or opportunities.

If you have any questions, comments or suggestions please contact Junior Coordinator Kayde Cassidy at kayde@hamptonsgolfclub.com.

Sincerely,
Kayde Cassidy
