Meet Your Coach – Tom Flockhart

Tom Flockhart has been a PGA of Canada member for 24 years and is a Top 50 Operation 36 Coach (2023) and is passionate about helping young golfers grow both on and off the course. Families appreciate Tom's patient, encouraging approach and his ability to make every child feel welcome, capable, and excited to learn. Tom believes that golf using the Operation 36 model can help kids to feel like they are part of a community and build many skills that will help them succeed in anything that they set their mind to.

Tom is also a dad and he believes that our society is causing kids to spend too much time on screens and not enough time outside or doing physical activity and enjoying nature. Golf was a very important part of Tom's childhood and he is excited to share his passion with as many people as possible to help bring out the best in people to live healthy lives! Let's cut back on screen time and increase participation in golf as a lifelong sport!

What is Operation 36?

Operation 36 gives children a fun and encouraging way to learn the game of golf. Instead of starting from long distances, juniors begin close to the green and work their way back as their confidence grows. Each child follows a clear pathway, celebrating small wins along the way. Parents love seeing their kids light up as they reach new milestones and discover a sport they can enjoy for life.

Why Kids and Parents Love It

Operation 36 keeps children motivated with simple goals, friendly challenges, and a supportive environment. Parents appreciate the structure, the measurable progress, and the joy their children feel as they improve each week. The kids will also receive achievement awards for showing their knowledge and passing their levels. The Operation 36 App will provide all the lesson plans, lesson videos and necessary communication from the coach to students and parents.

Schedule

Sessions will run weekly beginning in early May. Each semester will include 6 classes of one hour each and 2 “Play Days” where the kids will play 9 holes and attempt to pass their current level (25 yds, 50 yds, 100 yds, etc.) with prizes for closest to the pin, longest putt, etc. Hot Dog and Pop included every week.

A Program That Helps Kids Thrive

The Operation 36 Junior Program creates a positive, family-friendly environment where children can build confidence, develop new skills, and feel part of a community. Parents value the structure, the supportive coaching, and the opportunity for their children to grow within The Hamptons Golf Club and help them prepare for other golf competitions.

Tom is extremely excited to be joining the team at The Hamptons! Stay tuned for more programs throughout the season for kids and adults!
